between the hours of
9:00am – 2:45pm.*

Week of June 16th
Tues., & Fri.

FROM THE PRINCIPAL'S DESK

I cannot believe that another year is just about over. It has been a great year! Students have grown in height, in ability, and in knowledge of our Lord and Saviour. I pray that your summer is filled with fun and fellowship, rest and relaxation and the peace of our Lord. My summer will be filled as I will be travelling with "Youth in Christ" from Covenant Reformed Church, on a service trip to West Virginia directly after school is out, and I have a week of camping planned with Angela and her friend, Nancy, while all my boys are camping at the Cadet Camporee in August. I will also be busy taking a course this summer once again. (See kids, when you have summer vacation, we as staff go to school to learn more to share with you.) I pray that whatever you do that God will keep you safe.

Next Monday we will graduate 7 young men and 7 young women onto High School. Please join us in this time of celebration at 7:00 pm at Rexdale Alliance Church on Islington Ave. Our prayer is that God will bless them and be near to them as they move on from TCS. We also say goodbye to 2 staff members this year. Mrs. June Tenyenhuis will be moving on to TDChristian with many of our students, as the new Art teacher. We wish her God's blessing in her new endeavour. Mrs. Michelle Douglas will be leaving us to take on a new teaching position at Georgetown District Christian School. We pray that God will also bless her as she begins teaching in her home community.

Along with today's Newsreel you will be receiving a booklet of all those who sponsored our 3rd annual Golf Tournament. It was a day of fun and fellowship and even though we had a few downpours everyone had a great time. Take a look through the booklet to see who has sponsored TCS and give them your service; it's a way to say thanks.

This Wednesday morning we will be holding our sports assembly, honouring those who did well at track and field. Parents are welcome to join us.

Just a reminder that report cards will be ready for pick up on Friday, June 27th between 2-4pm. The remainder will be mailed out that afternoon.

You're Invited... Graduation 2008

The grade 8 class of 2008 will be graduating Monday June 23rd d.v. at Rexdale Alliance Church, 2459 Islington Avenue. The ceremony begins at 7pm sharp! We hope you can join us in celebrating this milestone with the grade eights!

FROM THE TEACHER'S DESK

MRS. UBBENS – GRADE 7/8

FINANCIAL COMMITMENT FORM

Thank you to those for sending in your forms and payment by the deadline date. For families who have not submitted their forms please do so ASAP. Please be reminded of the penalty fee noted on the form.

THE TCS T-SHIRT CHALLENGE

This summer make a point of wearing your new red TCS t-shirts when you go out and see what kind of reaction you get. The family with the best story wins a prize in September. T-shirts are available at the school for \$5. Have fun everyone.

IMPORTANT NOTICE FOR OVERDUE LIBRARY BOOKS

If you have not returned your overdue library books you still have time to do so. Students who still have books/payments outstanding will receive their notice on Wednesday, June 18.

***Note: Students must return library books and pay fines before receiving report cards.**

(Parents: If you cannot find the book at home please feel free to check the library or your child's classroom.)

THANK YOU!

A special thank you to our library volunteers, Mrs. Kim and Mrs. Kim, Mrs. Lee, Mrs. Bluks, and Mrs. Henderson, who so willingly gave of their time each Monday morning. We appreciate everything you do to keep our library running so smoothly.

"God has a plan for my life and will work in the most mysterious of ways.
In order to think the way God thinks, we must get to know Him better"
Justin Sullivan, 2002 Oklahoma Highschool Baseball Player of the Year

Writing: Portfolios were due on Friday June 6. A few students were still missing some pieces. The final due date for Children's story is June 19 – there will be no extension.

Literature: Abstract art expression of one short story is due on Thursday.

Math: Grade 8 math exam is on Wednesday. Grade 7 cumulative test is on Wednesday.

Marketing and Math unit: With enough drivers we hope to complete a Marketing unit studying Consumerism, marketing and advertisement. It is a one day unit to be conducted in the Yorkdale Mall. We need enough drivers to get us to the mall and home for 3:00, on Thursday June 19. Two chaperones to stay the day would be appreciated. You would not necessarily be with your own child all day, but you will need significant energy. Please call the office if you can help out and leave a message for me.

Year end trip: We had a wonderful trip, learned, were challenged and had fun together. This is a terrific group of young people.

URGENT NOTE FOR GRADE 7 PARENTS: Traditionally grade 7 parents and students are very busy with the grade 8 graduation (this year on June 23). They are responsible for decorating the fellowship hall for the dinner, they serve dinner, clean up and prepare the reception for after the ceremony. It is that time of year to ask for the grade 7 parents to step forward and assist once again. We have a small class so if there are any others willing to assist that would be most appreciated. Please call the office or myself (Barb Ubbens) with your response and availability to help during the day and/or early evening. It cannot happen without you and many hands make light work.

LIBRARY BOOKS: The following students have outstanding library books: Noemi, & Ema.

I wish you all the Lord's presence as you enter into the summer months: time to relax, restore and refresh. May your time with our God lift you and embrace you until September. May all God's blessings be with our graduates – Evonne, Katie, Karen, Amy, Katelyn, Tracy, Noemi, Nelson, Philip, Patrick, John-Mark, D.J., Kyle and James. It has been a great pleasure to learn with you, serve God with you and enjoy getting to know you all. You will be greatly missed at Timothy Christian.

Mme. Hudson
Junior High

Please return all texts and dictionaries by Wednesday. **All make-up work and incomplete assignments must be handed in on Wednesday, as well.**

Bon été!!

"The key to knowing God's will is willingness and determination to follow it before knowing it."
Dr. Henry M. Morris

MISS MIEDEMA – GRADE 5/6

LOST AND FOUND

This is the last week to find those lost items that you didn't know were lost. There's a winter coat, two winter boots and several gym shirts among other things waiting to be found. Please check the table by the office before the summer break. Remaining items will be given to the Salvation Army.

ARE YOU MOVING THIS SUMMER?

If you are please notify the school either by e-mail or by phone of your new address. We will be mailing out summer letters in late August with information to all families of the upcoming school year.

KINDERGARTEN NEEDS YOUR HELP

"Many hands make light work." Are you and/or your family able to spend less than an hour cleaning kindergarten toys? There are lots of bags and buckets of toys that need to be cleaned. If you can help out, please pick up a bag or bucket (or two) from kindergarten Monday, Wednesday or Friday. If that is not convenient, please call Mrs. Groot at home 416-743-2554 or leave a message at school to make other arrangements. Thank you!

You can receive volunteer hours towards next year.

PIZZA LUNCH

The final Pizza lunch of the year is this Friday. All orders were due today. Sorry but we are unable to process any late orders. Thank you for your continued support throughout the year. We raised approximately \$1800! All funds raised helps support the extra costs of class trips.

- **Wow! The school year is wrapping up!** This time of year we are "touching up" and finishing several units. Students are also preparing dramatic presentations based on Bible and Literature lessons (class time is provided for this). We eagerly look forward to summer vacation, but also face saying goodbye to friends. I wish you all a relaxing, rejuvenating summer break. May God keep you and bless you. It has been my privilege to teach this fabulous Grades 5/6 class.
- **Science:** Biome Projects are well underway; students are working hard and have learned much about their topics. This week, they must edit/revise their information and prepare their final drafts in the form of a booklet, brochure, or poster. Projects are due Thursday, and presentations will take place then, too.
- **Phys. Ed.:** Don't forget to have your baseball glove at school.
- **Gr. 5 Music:** The students will be performing at the school assembly on Wednesday morning. Practice your pieces! June practice calendars are optional: its mark will replace the student's lowest calendar score from this term. All calendars must be returned by Friday. Late ones will not be accepted.
- **Devotion Leaders:** Tuesday: Angelo; Thursday: Jin-Hong; Next week: Tuesday: Kristin D.

This week:

Tues. June 17	Literature response assignments due
Thurs. June 19	Biome Projects due and Presentations
Fri. June 20	Recorder Calendar due

Mme. Hudson – French

Grade 5

Wed., June 18: Quiz on "faire".

Bon été!!

Grade 6

Wednesday will be the last day to "re-quiz" any topic. Please make sure all texts are returned by that day.

BAND – MRS. DOUGLAS

Grade 6

Students did a great job on their Essential Creativity assignment. Great job composers! Students will need to have all music and instrument with them to hand in on Friday June 20th. I am doing a thorough year end inventory as I pass on my baton to the next conductor.

Grade 7/8

Grade 7 and 8 are working on small group performances to play on Friday, June 20th.

Grade 7 and 8 must have all of their music and their instruments at the school on June 20th! This is so important in order for me to do a thorough inventory of rented and owned instruments and all music. All lost music folders need to be found!!! Please make every attempt to find any missing music or music folder.

MRS. DOUGLAS – GRADE 3/4

Where has this year gone? It really is amazing how time flies. It has been a true pleasure having each of your children in my class this year. They are a unique, energetic bunch. Have a wonderful, relaxing summer and God's blessing to you all.

I am also writing to say goodbye. I have accepted a position at GDCS teaching Grade 3. Goodbyes aren't fun; however since I'm not trekking across the ocean, this goodbye doesn't seem so permanent. I will definitely keep in touch and stop by when the opportunity arises! I am thankful to have had the wonderful privilege of teaching here at TCS. I have learned much, enjoyed much and cherish the relationships I have developed with staff, students and parents. My music involvement at TCS has been very rewarding. I cannot gush enough about the fantastic job our bands and whole school did for the anniversary. We are touring material people!! Please continue to use your giftedness in music to glorify God. I will miss you all. God Bless.

GRADE 3/4 - CON'T

Recorder: Students need to have their recorders with them to play on Thursday June 19th. We will play some more melodies and possibly learn one last note.

Math: Grade 4 will have a test on division this Thursday, June 19th.

Social Studies: Students will have the opportunity to share some of their facts from the countries they researched at school.

Literature: Both grade 3 and 4 are reading the novel "The Whipping Boy" and are thoroughly enjoying the adventures of Prince Horace, Jemmy, Cutwater and Hold-your-nose-Billy! We will be completing the book by the end of the school year.

Last day: Students must bring in at least 2 bags of some sort to carry their entire belongings home with them.

Mrs. Lise

Science: We looked at how living things adapt to their environment and how every living being is created to praise.

Math: We reviewed all that we learned regarding decimals.

Spelling and Phonics: We reviewed all we have learned to date.

Grammar: Students were tested on their knowledge of study skills.

Mme. Hudson

Health: This Wednesday we will be having a short quiz on our skin, teeth, and blood. Students have been told which pages to review in their health text (check agendas). They will not have to label diagrams.
Have a lovely summer!

French - Grade 4

Wed., June 18 Quiz on "faire".

Bon été!!

MRS. HAYASHI – GRADE 1/2

Wow! The school year has finally come to a close and what a wonderful year we have had. I have to say, my students have been a fantastic group of kids. I am so thankful that we had such an amazing year. I would like to thank each and every student that I had this year...so thank you Dylan, Josiah, Shae-Lynn, Danielle, Helen, Adam, Elisa, Jacob, Bradley, Jeremy, Julian, and Gloria. I also thank Hyun-Soo and Gracie even though they are no longer here at our school. You guys rock! And of course, we would like to thank our almighty God for all of his blessings. He always guides us and leads us in all that we do. I continually see the power of the Lord shining through the eyes of my students each and every day and it is a beautiful thing to witness!

Grade one and two would also like to wish you a wonderful summer. Relax and enjoy this beautiful world that God has created for us to explore. Just don't get bitten by too many mosquitoes (and if you do just remember, God created them too). I look forward to seeing you again in September.

One last thing...we have our last review spelling test this Friday. Once again, they are all words that they are familiar with so they should do well. Students took home the review list four weeks ago. Students have done well on the review tests completed so far. Students receive the tests back on the same day they were written so make sure your child shows you the results!

Okay, this is really the last thing. Students will be taking home a lot of work this week and next week. There are some items that are worth keeping forever! So, look at everything closely. Especially pay attention to their personal journals and their writing books. These are all beautiful keepsakes that the students will truly cherish when they are older☺

Word Wall Words Grade One: Word Wall Word Review

Word Wall Words Grade Two: Word Wall Word Review

Spelling Test: Our final review test is on Friday!

Show and Tell: Group B has show and tell on Tuesday. It is free choice.

MRS. GROOT – JK-SK

HELP: Parents, please take home a bucket or two of toys to wash before the school year ends. Your child(ren) can do the washing and the toys air dry very well. This would save me many hours of work, aside from all the other cleaning that I do in the classroom during the summer. I would greatly appreciate it. Thank you! If you can help please pick up a bag or bucket of toys after school any Kindergarten day this week or send a note with your child and I will send some toys home with your child. **Please note: If you need volunteer hours, this can count towards hours for next year. Just let me know.**

Monday June 23 is the last day of school for Kindergarten. On Friday, June 20 your child will come home with a variety of class work. Enjoy! Your child's report card and a letter from me will be ready for pick up in the office on Friday June 27 or it will be mailed at the end of that same day.

God blessed us with an amazing year. The children have progressed leaps and bounds. Thank you for your support and prayers for our class and for me. I say good-bye to some students after two years of being together - wow! I am certainly going to miss them. God bless you with an awesome summer!

In His Service, Mrs. Lorraine Groot Psalm 37:3,4

P.S. Mrs. Scott will be covering the class on Monday June 23. I am sure they will have a wonderful day with her.
